MEMORANDUM FOR: Director of Communications

Director of Finance Director of Logistics

Director of Medical Services

Director of Personnel Director of Training

SUBJECT

: Use of Federal Records Centers for Agency Records

1. Recently, I asked the Director of Security to re-examine the Agency policy on the use of Federal Records Centers for the permanent storage of Agency inactive records. The Security survey encompased a detailed review of the physical security conditions and secure handling procedures at the Washington National Records Center (WNRC) in Suitland.

25X1,

25X1

2. I intend to lend my full support to obtain the Director's approval of the significant changes in Agency policy this recommendation entails. As a first step I shall, within the next two weeks, brief the Executive Director-Comptroller and the other Deputies on this proposal seeking their concurrence and acceptance. As a part of this briefing I wish to emphasize that our Directorate is taking immediate steps to transfer certain collections of Support records for storage at WNRC. Upon approval of the Director these collections will be the first transferred to WNRC.

3. The Records Administration Branch of the Support Services	
Staff has at my request identified some 10,000 cubic feet of DDS in-	
active office records which are Secret and below and over two	
years old, many of them ten and fifteen years old. For example, the Office	
of Security has 2,000 cubic feet of Security Case Files which might be	
transferred for permanent storage at WNRC under this new policy.	
Logistics has 900 cubic feet of requisition and contracts, Personnel has	
600 cubic feet of personnel files, Medical Services has 500 cubic feet	
of medical folders, and the Office of Finance has 6,000 cubic feet of	
finance vouchers and support papers The foregoing	25X1
figures may be considered as a point of departure from which each office	
should carefully review all of its inactive files for possible	25X1
transfer.

4. Prior to briefing the Executive Director and other Deputies on this program I must have the assurance of the Support Office Heads that transfer of their records to WNRC does not impose any problems. Therefore, I am requesting each of you to conduct an in house review of all your inactive records and send your comments to be by 22 December concerning the plan to store as many as possible at WNRC.
